TRAINING EXPERIENCE

Java Full Stack Developer

Anudip Foundation

May 2023 – Oct 2023

Remote

- Completed a comprehensive Java Full Stack development program.
- Acquired proficiency in front-end technologies including HTML, CSS, and JavaScript.
- Gained expertise in back-end development using MySQL, JDBC, Hibernate, and Spring Boot.
- Developed strong Java programming skills to support full-stack development.

PROJECTS

Console-Based College Admission System

Anudip Foundation

- Tools & Technologies used: Core Java, Hibernate and MySql
- It is designed to streamline and manage the college admission process efficiently through a command-line interface.
- This system allows students to submit their application details, view available courses, and check their admission status.

Smart Door Lock from Telegram App With ESP-32 Cam.

Academic Project

- A smart door lock system using an ESP-32 Cam integrated with the Telegram app is a modern and convenient solution for remotely controlling access to your door.
- By combining the hardware capabilities of the ESP-32 Cam with the popular messaging platform Telegram.
- Users can lock and unlock their doors from anywhere, enhancing security and providing real-time monitoring through Telegram notifications.

Vehicle accident prevention using Eye blink sensor

Academic Project

- Vehicle accident prevention using an eye blink sensor is an innovative safety technology that detects driver drowsiness or distraction by monitoring their eye blink patterns and alerts them to stay attentive, reducing the risk of accidents.
- This system can potentially save lives by promoting safer driving habits and reducing the likelihood of accidents caused by driver fatigue or inattention.

EDUCATION

B.Tech in Electronics And Communication Engineering

Srinivasa Institute Of Engg & Tech

2020 - 2023

Diploma in Electronics And Communication Engineering

Srinivasa Institute Of Engg & Tech

2017- 2020

SSC - 10th

Kanthi Bharathi E.M. School

2017

TECHNICAL SKILLS

Programming Languages

Java

Front-end

HTML

CSS

JavaScript

Database

MySQL

Frameworks

JDBC

Hibernate

Spring Boot

CERTIFICATIONS

- TCS iON - Career edge Young Professional.
- CISCO - CCNA(Industrial Training).

STRENGTHS

- Hard Working.
- Patience
- Positive Attitude.
- Flexibility and Adaptability.
